Presidents of Builth Wells and Brecon after the match

PRESIDENTS FUN NIGHT IS A LOAD OF BOULES

After the meeting with the Builth Wells Rotary club early this year, where Brecon lost the paper aeroplane contest, we challenged them to petanque which I believed we had a good chance in winning.

On the evening of 20th May a total of nineteen Rotarians and wives for Brecon and fourteen in total for Builth Wells descended on the petanque courts of Brecon Rugby Club.

Without loading the Brecon ranks with, shall we say sporty players, we choose twelve representatives with little experience which averaged the sides out.

Well one of our teams took an early defeat which did allow another four to play against Builth winning team. This time we put a stronger team together and won the second game.

The most noise and fun was had by Derek, Pippa, Andrew and Wimke team which concluded in Brecon's second win. The other

One member cannot believe where his boule landed!

two teams which had many debatable decisions go against them so I'm lead to believe lost their matches.

We retired from the courts to the warmth of the Rugby Club, where a wonderful buffet was available to all who attended including the Petanque Club members who ably assisted with the evening.

The President of Builth Wells stood up and spoke, stating that this evening was the best fun they had with any other Rotary Club ever, which I thank all those who attended for. He also asked if we could make this an annual event.

The Petanque Club President thanked us for the donation of £30, and offered the courts again should we wish to repeat the evening and all members left in good humour.

Photo for the Month from Hywel Davies

For many years during its existence as a Nationalised Industry, the South Wales Electricity Board, had a permanent stand at the Royal Welsh Show at Builth Wells, at which and in addition to displaying its many "Public Services", it entertained senior officials of companies and organisations. Members of the Royal Family always visited the Stand, when in attendance, and the Board's District Manager for Mid Wales, would receive them and escort them around the Stand. It was my great honour and privilege so to do on several occasions whilst in that office, and the photograph is of the Queen's visit, with me "lurking" in the background.!!!
